Special Events

Central Hesse offers an exciting programme of special events and a vast range of leisuretime opportunities. Lich's popular movie theatre "Traumstern", for example, was voted Germany's best repertory cinema for 2004. Central Hesse's "Summer of Culture", meanwhile, features a colourful diversity of events with annually changing themes.

Central Hesse is also a superb region for sport. Countless sporting events invite sports fans to either watch the professionals at work or participate themselves.
